REQUEST FOR WITHDRAWAL OF ABANDONMENT AND REMAILING OF FINAL  
REJECTION ORIGINALLY MAILED JANUARY 7, 2003

RECEIVED

Commissioner for Patents  
Washington, D.C. 20231

NOV 21 2003

Sir:

DIRECTOR OFFICE  
TECHNOLOGY CENTER 2600

Applicants' representative received a telephone call from the Examiner on July 7, 2003 informing the undersigned that no response was received for a Final Rejection mailed January 7, 2003. However, the Applicants' representative has never received the above-mentioned Final Rejection and requests withdrawal of the holding of abandonment for the reason that a search of the file jacket and docket records of the Applicants' representative indicate that the Final Rejection dated January 7, 2003 was never received. Enclosed is a copy of the docket record (Exhibit A) for the above-identified

application where the non-received Final Rejection would have been entered had it been received and docketed.

The copy of the docket record indicates that a response to an Office Action mailed July 16, 2003 was due on October 16, 2002. The copy of the docket record also shows that a response was filed on October 16, 2002. No further entries have been made in the docket as would have occurred in the ordinary course of business if the Final Rejection had actually been received. Further, according to our docket system, everything that has a statutory due date is docketed. The "MODIFIED" date shown at the top of the docket sheet reflects the last date that data was entered into the docketing system. Therefore, if the Final Rejection had in fact been received, it would have been entered into the docket system and the "MODIFIED" date would have changed to something after "01/07/03", the mailing date of the Final Rejection.

Also enclosed is a copy of the undersigned firm's Mail Log from January 2, 2003 to February 7, 2003 (Exhibit B). Under the Mail Log heading "Delivery Type", those documents classified as "PTO" correspond to documents received by mail from the U.S. Patent and Trademark Office. The headings "FED EX", "AIR MAIL" and "DHL" correspond to mail from other sources. This Mail Log reveals that nothing was received by

mail having the Docket No. "ASA-923", corresponding to application Serial No. 09/648,612 during the time period from January 1, 2003 to February 7, 2003.

This Mail Log corresponds to mail either sent directly to the undersigned law firm's new address of 1800 Diagonal Road, Suite 370, Alexandria, VA 22314, or sent to the undersigned law firm's old address of 104 East Hume Avenue, Alexandria, VA 22301, and forwarded by the U.S. Post Office to the new address. When the law firm of Mattingly, Stanger & Malur, P.C. moved to its new address at 1800 Diagonal Road, Suite 370, Alexandria, VA 22314, proper measures were undertaken to ensure that all mail sent to the previous address was forwarded to the new address.

With the Amendment filed October 16, 2002, Applicants filed a Change of Correspondence Address. Enclosed is a Mailroom date-stamped receipt (Exhibit C) showing that Applicants filed the Change of Correspondence Address well before the Final Rejection mailing date of January 7, 2003.

A complete review of the Mail Log has been conducted through the present date, with the same result; i.e., no mail relating to the present application has been received.

Accordingly, since it appears that the Final Rejection was lost in the mail, Applicants request withdrawal of the

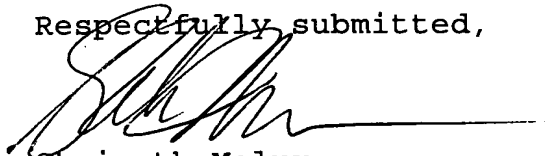

Serial No. 09/648,612

ASA-923

holding of abandonment. Further, Applicants request that the Final Rejection be remailed with a new statutory due date.

Although no fee is believed to be necessary with this communication, the Commissioner is hereby authorized to charge Deposit Account No. 50-1417 for any fees that are deemed necessary.

Respectfully submitted,

Shrinath Malur
